

# LAKER HIGH SCHOOL

6136 Pigeon Road, Pigeon, MI 48755  
989-453-4600

June 3, 2016

Dear Parent/Guardian and Student:

This summer, Laker High School will offer a summer school program for our high school students. This program is open to students who are credit deficient or have failed required classes during high school. Upon completion, these summer classes can provide up to 2.0 credits in the subject area in which the student was enrolled.

The classes will be offered on-line through two online learning programs, Odysseyware and E2020. **The summer semester window runs from June 15 – August 26, 2016.** Classes are student paced, but the estimated length of time to complete a .5 credit semester length class is 50 – 60 hours. Students are recommended to log a minimum of 2-4 hours per day. These classes are available 24 hours a day, seven days a week. Students may take these classes from your home, library, or any other location that provides high-speed internet access.

Students will be able to choose from the following courses:

<u>English</u>	<u>Math</u>	<u>Social Studies</u>	<u>Science</u>	<u>Other</u>
English 9	Algebra I	US History	Physical Science	Health
English 10	Algebra II	Government	Biology	Spanish I
English 11	Geometry	Economics	Chemistry	Spanish II
English 12		World History	Physics	French I
				French II

The following guidelines will apply to students wishing to receive academic credit from Laker High School:

1. Students must pay a deposit of \$50 per each enrolled .5 credit course. This deposit will be returned if the student completes the course with a passing grade (D- or higher) by August 26, 2016.
2. Students will earn .5 credit by **successfully completing each semester course by the August 26, 2016 deadline.** The credit will be added to the student's transcript and the letter grade earned for each class will be calculated as part of the Laker GPA.

If interested, please complete and return the attached registration form along with payment to the counseling office by June 21, 2016. Any questions regarding the summer school program may be directed to 989-453-4600.

Sincerely,

Jeff Etzel  
Laker High School Counselor
